Painting Lord Krishna playing flute with friends

With Shilpa Lalit (@Artyshils)

Introduction

I'm thrilled to invite you on a creative journey where we'll be painting a serene and enchanting depiction of Lord Krishna playing his flute, surrounded by his friends—a gentle cow and a lively bird. Using acrylics and mixed media techniques, we'll explore the intricate details of this piece, bringing it to life with rich layers and vibrant glazing. Together, we'll dive deeply into the process, creating an artwork that resonates with beauty, harmony, and joy.

Before we begin, let's take a moment to gather all the materials we'll need for this project. Thank you for allowing me to be part of your artistic journey—it's a privilege I cherish. Let's create something truly divine and inspiring together!
